#### INDEPENDENT AUDITORS' REPORT

May 19, 2020

Board of Trustees

Community Foundation *for* Muskegon County and Supporting Organizations

Muskegon, Michigan

We have audited the accompanying combined financial statements of the *Community Foundation for Muskegon County and Supporting Organizations* (the "Organization"), which comprise the combined statements of financial position as of December 31, 2019 and 2018, and the related combined statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the combined financial statements.

## Management's Responsibility for the Combined Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

## Independent Auditors' Responsibility

Our responsibility is to express an opinion on these combined financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the combined financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the combined financial statements. The procedures selected depend on auditor judgment, including the assessment of the risks of material misstatement of the combined financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the combined financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the combined financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the combined financial position of the *Community Foundation for Muskegon County and Supporting Organizations* as of December 31, 2019 and 2018, and the changes in their combined net assets and their combined cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Change in Accounting Principle

As described in Note 1 to the combined financial statements, in 2019 the Organization adopted Accounting Standards Update ASU No. 2018-08, Not-for-profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. Our opinion is not modified with respect to this matter.

Rehmann Loham LLC

The accompanying notes are an integral part of these combined financial statements.

## **Notes to Combined Financial Statements**

### 1. NATURE OF ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## Nature of Organization

The *Community Foundation for Muskegon County* (the "Foundation") receives and administers gifts and bequests which are used to support a variety of programs primarily in and for the benefit of the people of the Muskegon County and western Michigan area.

The Paul C. Johnson Foundation was organized for general charitable purposes, and its principal activity is to support and benefit the Community Foundation *for* Muskegon County. The majority of the Board of Directors of The Paul C. Johnson Foundation consists of individuals appointed by the Trustees of the Community Foundation *for* Muskegon County. The Paul C. Johnson Foundation has been included in the accompanying combined financial statements as a supporting organization of the Community Foundation *for* Muskegon County. The net assets of The Paul C. Johnson Foundation were \$3,310,907 and \$2,884,291 at December 31, 2019 and 2018, respectively.

The Pennies From Heaven Foundation was organized for general charitable purposes, and its principal activity is to support and benefit the Community Foundation *for* Muskegon County. The majority of the Board of Directors of The Pennies from Heaven Foundation consists of individuals appointed by the Trustees of the Community Foundation *for* Muskegon County. The Pennies from Heaven Foundation has been included in the accompanying combined financial statements as a supporting organization of the Community Foundation *for* Muskegon County. The net assets of the Pennies from Heaven Foundation were \$21,953,783 and \$21,561,350 at December 31, 2019 and 2018, respectively.

Morris Street, LLC is a limited liability company in which the Foundation is the sole member. The assets of Morris Street, LLC primarily comprise investments in a parking lot in downtown Muskegon and commercial properties in Ludington, Michigan.

The combined financial statements include the accounts of the Community Foundation *for* Muskegon County, The Paul C. Johnson Foundation and The Pennies from Heaven Foundation, supporting organizations, and Morris Street, LLC (collectively, the "Organization"). All significant interorganizational accounts and transactions have been eliminated in the combined financial statements.

## **Notes to Combined Financial Statements**

#### Risks and Economic Uncertainties

The outbreak of a novel coronavirus (COVID-19), which the World Health Organization declared in March 2020 to be a pandemic, continues to spread throughout the United States of America and the globe. The extent of the impact of COVID-19 on the Foundation's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, and its impact on customers, employees, and vendors, all of which are uncertain and cannot be predicted. While management reasonably expects the COVID-19 outbreak to negatively impact the Foundation's financial condition, operating results, and cash flows, the related financial consequences and duration cannot be estimated at this time. The Foundation established a spending rate of 4% during 2019 for the 2020 budget year. The pandemic will not result in a change to this spending rate. The Foundation has deployed grant resources from the 2020 grant budget to create a COVID-19 Response Fund in collaboration with United Way of the Lakeshore. The fund will help rapidly deploy resources to basic needs and support the organizations whose programs and staff are on the front lines of response. Operationally, staff are being diligent in watching institutional expenses and continues to monitor fee income and market performance to determine what, if any mid-year changes need to be made. The availability of CARES Act funds from the federal government will also impact operational planning.

## Use of Estimates

The preparation of combined financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates. Significant estimates include, but are not limited to, fair value of investments, useful lives of property and equipment, present value of future estimated payments under deferred gift annuities, and allocation of certain costs among functions.

## **Basis of Presentation**

Net assets, support, revenues, gains and losses are classified based on the existence or absence of donor restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets without Donor Restrictions: Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for board-designated endowments. The Organization maintains within its net assets without donor restrictions certain designated endowments from which the Organization's board permits only distributions of earnings, which may include appreciation as well as income. See Note 10.

## Notes to Combined Financial Statements

Net Assets with Donor Restrictions: Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. The Organization had no net assets with donor restrictions at December 31, 2019 and 2018.

### Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits in banks, cash on hand and deposits in money market funds with original maturities when purchased of less than three months. The market value of the money market investments approximate cost. The Organization maintains deposit accounts in various financial institutions, which at times may exceed federally insured limits. Management does not believe the Organization is exposed to any significant interest rate or other financial risk as a result of these deposits.

### Investments

Investment securities purchased are initially recorded at cost and investment securities received by gift are recorded at fair value at the date of donation. Thereafter, the carrying value of such investments are adjusted to fair value which is determined using published exchange market quotations where applicable or estimated fair values provided by external investment managers or other sources. In the limited cases where such values are not available or no ready market exists, estimated fair value is used. Other investments are carried at estimated fair value.

Realized gains and losses are recorded using specific identification of the assets sold. Investment return, which includes realized and unrealized gains (losses), is reported net of external investment expenses.

Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in these combined financial statements.

### Contributions and Unconditional Promises to Give

Contributions are considered to be without donor restrictions unless specifically restricted by the donor. Donor-restricted contributions whose restrictions are met within the same year as received are reflected as contributions received without donor restrictions in the accompanying combined financial statements.

## **Notes to Combined Financial Statements**

Contributions of cash and other assets, including unconditional promises to give, are reported as revenue when received, measured at fair value. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. Unconditional promises to give are recorded net of an allowance for promises estimated to be uncollectible.

#### Receivables

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Notes receivable are reported at their outstanding principal balance. Receivables are considered by management to be fully collectible and, accordingly, no allowance for doubtful accounts is considered necessary. Interest income is recognized over the term of the notes and is calculated using the simple-interest method on principal amounts outstanding.

### **Property and Equipment**

The Organization capitalizes all property and equipment in excess of \$1,000. Land is stated at cost. Property and equipment is stated at cost less accumulated depreciation. Donated assets are recorded at fair value when received. Major improvements and renewals are capitalized while ordinary maintenance and repairs are expensed. Management reviews these assets for impairment whenever events or changes in circumstances indicate the related carrying amount may not be recoverable.

## Depreciation

Depreciation of property and equipment is computed using the straight-line method over the estimated useful lives of the related assets, which range from 5 to 50 years.

### **Deferred Gift Annuities**

Deferred gift annuities represent gifts given to the Organization with the condition that a specified payment is made to the contributor over his or her life. A liability has been established based on the present value of the estimated payments to be made. This liability is re-measured annually based on changes in the life expectancy assumptions.

### Funds Held as Community Service

Funds held as community service represent funds that are owned by various non-profit entities that are managed and maintained by the Organization. At December 31, 2019 and 2018, there were 82 and 78 funds, respectively, held as community service.

#### Grants

Grants are recorded as an expense when they are approved by the Board of Trustees and performance requirements have been completed by the grantee.

## **Notes to Combined Financial Statements**

#### **Income Taxes**

The Community Foundation *for* Muskegon County, The Paul C. Johnson Foundation and The Pennies From Heaven Foundation are not-for-profit organizations exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and are also exempt from similar state and local taxes. Although the organizations were granted income tax exemption by the Internal Revenue Service, such exemption does not apply to any net income that is derived from a trade or business and not in furtherance of the purpose for which it was granted exemption.

The Organization analyzes its filing positions in the federal and state jurisdictions where they are required to file income tax returns, as well as all open tax years in these jurisdictions to identify potential uncertain tax positions.

The Organization has evaluated its income tax positions for the years 2016 through 2019, the years that remain subject to examination by major tax jurisdictions as of December 31, 2019. The Organization concluded that there are no significant uncertain tax positions requiring recognition in the Organization's combined financial statements. The Organization does not expect the total amount of unrecognized tax benefits ("UTB") (e.g. tax deductions, exclusions, or credits claimed or expected to be claimed) to significantly increase in the next 12 months. The Organization does not have any amounts accrued for interest and penalties related to UTB at December 31, 2019 and 2018, and they are not aware of any claims for such amounts by federal or state income tax authorities.

## Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the combined statement of activities. The combined statement of functional expenses presents the natural classification detail of expenses by function. Expenses which apply to more than one functional category have been allocated among the respective function based upon the time spent on these functions by specific employees as estimated by management and applied on a consistent basis.

## Notes to Combined Financial Statements

### **New Accounting Pronouncement**

The Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2018-08, Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made (Topic 958), in June 2018, which was effective for the Organization for the year ended December 31, 2019 related to contributions received and will be effective for the Organization's year ending December 31, 2020 related to contributions made. The amendments in ASU No. 2018-08 provide additional guidance for entities to use to evaluate whether transactions should be accounted for as contributions (nonreciprocal transactions) or exchange (reciprocal) transactions and to determine whether the transaction is conditional. On January 1, 2019, the Organization adopted the standard on its contributions received using the modified prospective basis and elected to apply the standard only to agreements that were not completed as of that date. There was no impact to the timing or amount of revenue recognized as a result of this adoption. Management is evaluating the impact of the adoption of this new standard related to contributions made and its effects on the combined financial position and results of operations of the Organization.

### Reclassification

Certain amounts as reported in the 2018 combined financial statements have been classified to conform with the 2019 presentation.

## **Subsequent Events**

In preparing these combined financial statements, the Organization has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2019, the most recent combined statement of financial position presented herein, through May 19, 2020, the date the combined financial statements were available to be issued. No significant such events or transactions were identified, other than the economic uncertainties matter described above.

## 2. FAIR VALUE MEASUREMENTS AND INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2: Inputs to the valuation methodology include

• quoted prices for similar assets or liabilities in active markets;

## **Notes to Combined Financial Statements**

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
   and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy of each of the Organization's assets and liabilities is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies and key inputs used to measure financial assets and liabilities recorded at fair value.

Investment Securities: Investment securities, including the pooled income fund, are recorded at fair value on a recurring basis. Fair value measurement is based upon quoted prices, if available. Level 1 securities include those traded on an active exchange, such as the New York Stock Exchange, that are traded by dealers or brokers in active over-the-counter markets.

Other investments: The carrying amounts of the Organization's other investments, including real estate and life insurance, approximate fair values. The Organization's other investments are categorized as level 3 assets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## **Notes to Combined Financial Statements**

## Assets Recorded at Fair Value on a Recurring Basis

The following tables set forth by level, within the fair value hierarchy, the Organization's assets measured at fair value on a recurring basis:

|                            | Assets at Fair Value |         |              |                |  |  |  |
|----------------------------|----------------------|---------|--------------|----------------|--|--|--|
| December 31, 2019          | Level 1              | Level 2 | Level 3      | Total          |  |  |  |
|                            |                      |         |              |                |  |  |  |

## **Notes to Combined Financial Statements**

The Organization has a majority of their investments in one brokerage firm. As of December 31, 2019 and 2018, approximately 93% and 92%, respectively, of the Organization's total investments are held in safekeeping with one institution.

#### 3. COMMUNITY FOUNDATION FOR MUSKEGON COUNTY POOLED INCOME FUND

The Community Foundation *for* Muskegon County Pooled Income Fund (the "Fund") was established in accordance with Section 642(c)(5) of the Internal Revenue Code of 1986, as amended. Its purpose is to create financial reserves to support the Organization while at the same time, afford reasonable income returns to individual beneficiaries. Donations to the Fund are in accordance with provisions, which stipulate an irrevocable remainder interest in the contributed property to or for the use of the Organization. Donors contributing property to the Fund retain, for the donor's life (or other beneficiaries), an income interest in the property. Income is distributed to the donor or beneficiary quarterly.

Upon the death of the donor or beneficiary the income interest will terminate and the remainder interest upon which income is based shall be paid to the Organization. Pooled income funds represent investments in U.S. government and corporate bonds at fair market value. A liability to life beneficiaries has been established based on the present value of the estimated payments to be made based on the donors' or beneficiaries' life expectancy.

### 4. RECEIVABLES

Receivables consist of the following at December 31:

|  | 2019            | 2018            |
|--|-----------------|-----------------|

| Total receivables                        | \$<br>8,136,225 | \$<br>8,123,559 |

## **Notes to Combined Financial Statements**

The note receivable from Parkland Muskegon, Inc.-A is a local impact investment loan related to Highpoint Flats, a residential apartment complex located in the City of Muskegon. Payments of interest only on the outstanding principal balance are due monthly during the first five years of the loan, which was entered into during February 2018. Beginning February 2023, payments of principal and interest are due monthly based on a twenty year amortization. However, the entire remaining principal balance and accrued interest are due in full in February 2041. The note is secured by a personal guarantee and a security interest in the Shoreline Inn, a hotel located in the City of Muskegon.

The note receivable from Parkland Muskegon, Inc.-B is a local impact investment loan related to Highpoint Flats, a residential apartment complex located in the City of Muskegon. Payments of interest only on the outstanding principal balance are due monthly during the first five years of the loan, which was entered into during February 2018. Beginning February 2023, payments of principal and interest are due monthly based on a twenty year amortization. However, the entire remaining principal balance and accrued interest are due in full in February 2033. The note is secured by a personal guarantee and a security interest in the Shoreline Inn, a hotel located in the City of Muskegon.

The note receivable from 351 W. Western LLC is a program related investment loan to be used toward the construction (materials, labor and contractors) of a 6-story mixed use building. Payments of interest only on the outstanding principal balance are due monthly during the first five years of the loan, which was entered into during December 2017. Beginning December 2022, payments of principal and interest are due monthly based on a twenty-five year amortization. However, the entire remaining principal balance and accrued interest are due in full in December 2027. The notes receivable are unsecured.

The notes receivable from Northern Economic Initiative is a program related investment loan to support community development through the startup of a lending program to grow small businesses exclusively in Muskegon County, with a focus on the underserved and minority populations. Payments of interest only on the outstanding principal balance are due in monthly installments for the first ten years of the loan, which was entered into during December 2017. The entire remaining principal balance and accrued interest are due in full in December 2027. The notes receivable are unsecured.

The notes receivable from 225 Ludington and 200 Loomis are program related investment loans, entered into during August 2018, to be used toward the acquisition, construction and rehabilitation of certain property in Ludington, Michigan. Interest is charged at 3% simple interest for a term of nineteen years. Payments of principal and interest are due in nineteen annual installments, beginning with the rent commencement date (expected to be in 2020), with the entire unpaid balance due in full on the nineteen year anniversary of the loan. The notes receivable are unsecured.

## **Notes to Combined Financial Statements**

### 5. NET PROPERTY AND EQUIPMENT

Net property and equipment consists of the following at December 31:

|   | 2019                                     | 2018                                       |
|---|--|--|
| Land<br>Buildings and improvements<br>Equipment | \$<br>543,785<br>16,710,697<br>1,760,023 | \$<br>1,658,785<br>16,627,478<br>1,640,612 |
| Total<br>Less accumulated depreciation          | 19,014,505<br>8,286,737                  | 19,926,875<br>7,816,595                    |
| Net property and equipment                      | \$<br>10,727,768                         | \$<br>12,110,280                           |

Net property and equipment consists of the Frauenthal Center for the Performing Arts, the Hilt Building multi-purpose community facility, the Community Foundation Building and Pennies for Heaven facilities. All depreciable assets used in rental and general operations and the Frauenthal Center are recorded in the property and equipment fund. Depreciation expense was \$470,142 and \$455,452 in 2019 and 2018, respectively.

## 6. FUNDS HELD AS AGENCY ENDOWMENTS

The Organization follows established standards for transactions in which a community foundation accepts a contribution from a donor and agrees to transfer those assets, the return on investment of those assets, or both, to another entity that is specified by the donor. If a not-for-profit entity (NFP) establishes a fund at a community foundation with its own funds and specifies itself as the beneficiary of that fund, the community foundation must account for the transfer of such assets as a liability. The Organization refers to such funds as Agency Endowments. The Organization maintains variance power and legal ownership of Agency Endowment funds and, as such, continues to report the funds as assets of the Organization. However, a liability has been established for the fair value of the funds.

## **Notes to Combined Financial Statements**

The Organization was the owner of 148 and 143 Agency Endowment Funds at December 31, 2019 and 2018, respectively. Activity in such funds consists of the following for the years ended December 31:

|  | 2019  | 2018  |
|--|---|---|
| Agency endowment fund<br>balances, beginning of year<br>Amounts raised<br>Net investment return (loss)<br>Grants | \$<br>14,943,009<br>457,186<br>2,945,950<br>(723,153) | \$<br>16,327,456<br>436,740<br>(1,133,339)<br>(687,848) |
| Agency endowment fund balances, end of year  | \$<br>17,622,992                                      | \$<br>14,943,009  |

## 7. COMMITMENTS

Trustees of the Organization have approved, as of December 31, 2019, future conditional grants amounting to \$1,892,380. Such grants are in accordance with the Organization's charitable purposes and with their Articles of Incorporation and By-Laws. The commitments scheduled for payment for the next five years and thereafter are as follows:

| Year   | Amount  |
|--|---|
| 2020<br>2021<br>2022<br>2023<br>2024<br>Thereafter | \$ 440,430<br>392,000<br>392,000<br>142,000<br>142,000<br>383,950 |
| Total  | \$ 1,892,380  |

## **Notes to Combined Financial Statements**

### 8. NET ASSETS

The bylaws of the Organization include a variance provision and powers of modification, giving the Board of Trustees the power to vary the use of funds. Based on these provisions, the contributions received by the Organization and its supporting organizations are reported as support without donor restrictions. The Organization's net assets without donor restrictions consist of the following at December 31:

|   | 2019  |                                      | 2018  |

| Total net assets without donor restrictions   | \$211,010,500   | \$ 1                                 | 179,214,807   |

### 9. EMPLOYEE BENEFIT PLAN

The Organization has a defined contribution retirement plan, which provides for voluntary employee contributions. Contributions to the plan by the Organization, which are discretionary as determined by the Board of Trustees, totaled \$69,029 and \$68,199 in 2019 and 2018, respectively.

## 10. DESIGNATED ENDOWMENTS

The Organization's net assets without donor restrictions include designated endowments (which exclude the property and equipment and operating funds), whereby the Organization has variance power over those assets. Therefore, the Board of Trustees treats these funds as designated endowments and they are classified and reported based on the existence or absence of donor-imposed restrictions.

## **Notes to Combined Financial Statements**

## Interpretation of Relevant Law

The Board of Trustees of the Organization follows the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the historical value of the original gift as of the gift date of the designated endowment funds absent explicit donor stipulations to the contrary. As a result of this law and variance provision rights, the Organization classifies within net assets without donor restrictions (a) the original value of gifts donated to the designated endowment, (b) the original value of subsequent gifts to the designated endowment, and (c) accumulations to the designated endowment. In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate designated endowment funds:

- 1) The duration and preservation of the fund
- 2) The purposes of the Organization and the designated endowment fund
- 3) General economic conditions
- 4) The possible effect of inflation and deflation
- 5) The expected total return from income and the appreciation of investments
- 6) Other resources of the Organization
- 7) The investment policies of the Organization

### Changes in Endowment Net Assets Without Donor Restrictions

| Endowment net assets at January 1, 2018           | \$ 191,392,970 |
|---|----------------|
| Net investment loss                               | (12,762,214)   |
| Contributions and other income                    | 5,472,528      |
| Appropriation of endowment assets for expenditure | (10,404,756)   |
| Endowment net assets at December 31, 2018         | 173,698,528    |
| Net investment return                             | 29,683,372     |
| Contributions and other income                    | 5,386,713      |
| Appropriation of endowment assets for expenditure | (3,278,638)    |
| Endowment net assets at December 31, 2019         | \$ 205,489,975 |

## **Notes to Combined Financial Statements**

### Return Objectives and Risk Parameters

The Organization has adopted long-term investment policies for endowment assets that target a primary investment goal of providing for long-term growth of capital to fund its perpetual grant making role. The policy identifies the Organization's total investment return objective which is to equal or exceed the rate of inflation plus the spending guideline of 6% (e.g., 6.0% + 3.25% = 9.25%). The general policy shall be to diversify investments so as to provide a balance that will enhance total return, while avoiding undue risk concentrations in any single asset class or investment category. The Organization's policy adopts a long-term investment horizon.

### Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

### Spending Policy and How the Investment Objectives Relate to Spending Policy

The Organization has a policy of appropriating for distribution each year up to 6% of its endowment assets' average fair market value over the prior 16 quarters as of September 30 of the previous year. In establishing this policy, the Organization considered the long-term expected return on its endowment investment portfolio. By limiting its spending policy over the long-term, the Organization expects the current spending policy to allow its endowment assets to grow annually. This is consistent with the Organization's objective to maintain the purchasing power of the endowment investment portfolio, as well as to provide additional real growth through new gifts and investment return. For 2019 and 2018, the Organization set the spending rate at 4% for grants.

## **Notes to Combined Financial Statements**

## 11. LIQUIDITY AND AVAILABILITY OF RESOURCES

The Organization's financial assets available within one year of the combined statements of financial position date for general expenditures are as follows as of December 31:

|  | 2019                        | 2018                        |
|--|-----------------------------|-----------------------------|
| Cash and cash equivalents Investments  | \$ 9,117,374<br>203,524,201 | \$ 6,777,711<br>171,473,455 |
| Pooled income fund   | 278,994                     | 266,129                     |
| Other investments  | 3,159,395                   | 3,164,805                   |
| Receivables  | 8,136,225                   | 8,123,559                   |
| Other assets   | 87,144                      | 92,647                      |
| Net property and equipment   | 10,727,768                  | 12,110,280                  |
| Total assets   | 235,031,101                 | 202,008,586                 |
| Less:  |                             |                             |
| Endowed investments  | (205, 489, 975)             | (173,698,528)               |
| Receivables due in excess of one year  | (8,069,646)                 | (8,070,335)                 |
| Other assets   | (87,144)                    | (92,647)                    |
| Net property and equipment   | (10,727,768)                | (12,110,280)                |
| Assets not available for current spending  | (224,374,533)               | (193,971,790)               |
| Add:   |                             |                             |
| Board designated for grant expenditures  | 7,345,926                   | 6,946,194                   |
| Financial assets available to meet cash needs for general expenditures within one year |                             | \$ 14,982,990               |

The Organization has \$18,002,494 and \$14,982,990 as of December 31, 2019 and 2018, respectively, of financial assets available within one year of the combined statement of financial position date to meet cash needs for general expenditures. The Organization manages its liquidity required to meet its operating needs while also trying to maximize earnings on its available funds by investing excess cash in investments.

## **Notes to Combined Financial Statements**

Funds that are endowed or that operate according to the spending policy for grantmaking, are generally invested in the Organization's investment pool. The amount available for grantmaking is determined on an annual basis. This amount is calculated according to the Organization's spending policy, which is currently up to 6% of the funds' average quarterly market value over the preceding 16 quarters. Six months of the annual amount available for grantmaking and administrative fees charged by the Organization are transferred to the money market fund so that they are readily available.

### INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

May 19, 2020

Board of Trustees Community Foundation *for* Muskegon County and Supporting Organizations Muskegon, Michigan

We have audited the combined financial statements of the *Community Foundation for Muskegon County and Supporting Organizations* (the "Organization"), as of and for the years ended December 31, 2019 and 2018, and have issued our report thereon dated May 19, 2020, which expressed an unmodified opinion on those combined financial statements. Our audits were conducted for the purpose of forming an opinion on the combined financial statements as a whole. The supplementary information included in the accompanying schedule, as listed in the table of contents, which is the responsibility of management, is presented for purposes of additional analysis and is not a required part of the combined financial statements. Such information has not been subjected to the auditing procedures applied in the audits of the combined financial statements and, accordingly, we do not express an opinion or provide any assurance on it.
