Mason County

A Children's Savings  
Program for Education

# SAVING

for YOUR  
child's future!

- Last school year, the Community Foundation for Mason County opened a “deposit only” savings account with \$50 for your child.

*The Community Foundation is the owner of the account, and it is held for the benefit of your child.*

- A match program will help students earn additional deposits. Lake Michigan CPA Services is offering a \$10 match to First Graders who make a deposit of any amount during the 2020-2021 School year.

- Students will be able to make deposits at their school on Deposit Days.

*Deposits of any size are welcome-every penny counts! Your child's teacher will send home Deposit Day information and dates(s).*

- Financial education and activities will be offered to your student on Deposit Days by West Shore Bank and Safe Harbor Credit Union staff.

- Families can make a deposit at any West Shore Bank branch.

*Just mention your child is part of the Community Foundation for Mason County KickStart to Career.*

- Your child can make withdrawals for any educational expense after high school.
