

COMMUNITY
FOUNDATION
for Mason County

Love Your
Community.

Create a legacy.

Isabelle Hasenbank's estate gift helped fund two years of tuition and fees to West Shore Community College through the Mason County Promise Scholarship. What will your legacy be?

Love your community. Leave 5%.

What do you love about Mason County? Maybe it's a favorite park or bike trail, your neighborhood school, or a certain cause you support. Whatever it is, consider leaving a piece of your estate to help ensure its future. You live here, you work here, you love here ... you give here!

Imagine ... if everyone leaves 5% (or more) of their estate to a Community Foundation fund, over \$136 million will be invested in Mason County by 2055. Gifts are invested for long-term growth, and this growth produces grants to support the community ... forever. Your gift of any size will make an impact, today and in the future. That's the power of endowment.

Plan your gift.

- **Talk with us.** The possibilities are endless for what your gift can support: beautification, literacy efforts, summer recreation, economic development, healthy food access, arts, the environment, education, and more. Tell us what's important to you, and we'll help to make it happen.
- **Talk with your advisor.** You can simply include the Foundation as a beneficiary of a life insurance policy or retirement account, or you can work with an attorney to update your will or trust.
- **Become a member of our Legacy Circle.** Join this group of generous donors for special events and more.

Together, we can build the future of Mason County!

Have you included the Community Foundation in your will, trust, or other planned gift? Please let us know (if you haven't already) so we can extend a special invitation to join the Legacy Circle.
